Carlington Community Health Centre (CCHC) provides health and social services within a health promotion and multi-disciplinary team framework to a diverse community. We have the following job openings:

**Regular Full-time position: Bilingual Administrative Assistant
for the Assertive Community Treatment Team**

Bilingual Casual Receptionist

To see the detailed posting, including application requirements and deadlines, please visit our website at www.carlington.ochc.org and click on *Opportunities*.

As a non-profit organization, we are accountable to our community for providing quality care. For this reason, we can only consider applicants who provide all of the application materials described on our website.

We thank all applicants, but regret that we can only contact those invited for an interview.

If at any stage in the selection process you require an accommodation, please let us know the nature of the required accommodation.

Carlington Community Health Centre is an equal opportunity employer who values the diversity of individuals in our programs and services.
