

## Family Physician Locum Opportunities in Ottawa

### Where?

Pinecrest-Queensway and South Nepean Community Health Centres

### Who are we?

The Physicians at our CHCs work within a multi-disciplinary health team to provide primary care services to individuals and families residing in the Pinecrest-Queensway (Richmond Road) and South Nepean (Strandherd Drive) CHC areas. We use a medical care model which emphasizes a holistic approach of health promotion and client education, and encourages clients to take responsibility for their own health. These opportunities are ideal for physicians who are interested in immigrant health and serving clients who faced multiple barriers to accessing care as well as being more vulnerable and at risk.

### What locum opportunities exist?

1. May-September 2017 – 17.5 hours per week – days worked are negotiable.
2. May 2017 – November 2018 – maternity leave coverage – 21 hours per week – days worked are negotiable.
3. September 2017- October 2018 (with possibility of extension) – maternity leave coverage – 28 hours per week – days worked are negotiable.

### What is the compensation?

For locum opportunity #1:

- The rate of pay is \$95.764-\$112.663 (salary commensurate based on experience)
- 4% in lieu of vacation
- HOOPP pension plan enrolment eligibility

For locum opportunity #2 & #3:

- The rate of pay is \$95.764-\$112.663 (salary commensurate based on experience)
- 3% in lieu of extended health/dental
- Two weeks leave entitlement
- HOOPP pension plan enrollment eligibility
- A small amount of on-call is required and for which the Physician is compensated

If you are interested in any of these locum opportunities please send your resume by Thursday, June 1, 2017 at noon to:

Caroline Desrochers  
Director of Primary Health Care Services  
Pinecrest-Queensway Community Health Centre
